Board of Land and Natural Resources  
State of Hawaii  
Honolulu, Hawaii

Ref: 98od-249

Oahu

Rescind Prior Board Action of August 28, 1998, Agenda Item D-1, Direct Issuance of Perpetual, Non-Exclusive Easement to the City and County of Honolulu, Department of Design and Construction for a Twenty Inch Irrigation Pipeline at Waikele, Ewa, Oahu, Tax Map Key: (1) 9-4-11:103 portion.

REMARKS:

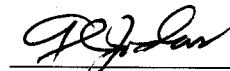

On August 28, 1998, under agenda item D-1, the Board approved the request for a perpetual non-exclusive easement for a twenty-inch irrigation pipeline on a portion of the subject State parcel to the City & County of Honolulu (City) at the subject location.

On October 26, 2007, under agenda item D-6, the Board authorized setting aside the entire State parcel to the City for park and ancillary purposes. While the City is working on the survey map of the set aside, it is noted that the 1998 Board easement request was never consummated. Recently, staff of the City requested the easement request be rescinded since it is no longer necessary in view of the forthcoming set aside to the City. This is a housekeeping process, and staff did not solicit comment from any agencies.

RECOMMENDATION:

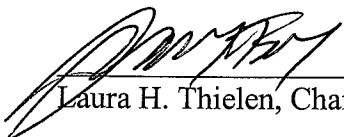

That the Board rescinds its prior action of August 28, 1998, Item D-1.

Respectfully Submitted,

Al Jodar  
Land Agent
